Dear Sir:

Attached is Form PTO-1050 (Certificate of Correction) at least one copy of which is suitable for printing. The errors together with the exact page and line number where the errors are shown correctly in the application file are as follows:

**IN THE CLAIMS:**

Please change the following:

In Claim 10, Column 100, Line 29 and 30, "R1 and R3" to -- R<sub>1</sub> and R<sub>3</sub> --.

This appears correctly in the Amendment filed August 4, 2006, Claim 10 on page 5.

Patentee hereby requests expedited issuance of the Certificate of Correction because the error lies with the Office and because the error is clearly disclosed in the records of the Office. As required for expedited issuance, enclosed is documentation that unequivocally supports the patentee's assertion without needing reference to the patent file wrapper.

It is noted that the above-identified errors were printing errors that apparently occurred during the printing process. Accordingly, it is believed that no fees are due in connection with the filing of this Request for Certificate of Correction. However, if it is determined that any fees are due, the Commissioner is hereby authorized to charge such fees to Deposit Account 50-4480 (Order No. CHIRP018R).

Respectfully submitted,
